# ANNIVERSARY ISSUE

*Official Publication of the American Nazi Party*

**THE ROCKWELL REPORT** is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

With this issue of the ROCKWELL REPORT, we begin our third year of this publication.

And I am happy to have something wonderful and exciting to report to celebrate the occasion.

I do not yet know whether the event made national news. (I have to wait until friends and supporters kindly send us clippings from out of town, since we have never been able to afford subscriptions to the New York Times and the other papers we should get regularly.)

But I do know that we passed a major milestone in the fight against Jew-Communism, Zionism and race-mixing on Thursday, October 10.

For five long years the Jews, Reds, Zionists and race-mixers have broken up our meetings and attacked us.

Now the shoe is on the other foot.

On Thursday, October 10, at 8:30 p.m., the enemy sent out a flyer announcing a race-mixing rally at super-Jew American University here--the Redest university in this area. (We have gotten on the mailing list for these Red race-mixing bulletins under a Jew name and front-address!) The speakers were to be Roy Wilkinson, convicted Fifth Amendment Communist; Aubrey Williams, President Emeritus of the Southern Conference Educational Fund, officially identified as a Communist

# 15 at American U. Meeting Arrested As Nazi Heckling Leads to Brawl

By JACK KELSO
Star Staff Writer

Nazi inspired heckling touched off a fist-swinging wave of violence that ended with 15 arrests during a civil rights discussion last night at American University.

Among those arrested was a blond girl in a red dress who ran onto the stage, shouted "Seig Heil!" and charged at one of the speakers with her fingernails.

Fourteen of the 15 arrested were identified by police and by Nazi party members as Nazis. One American University student was arrested.

The meeting at Leonard Gymnasium started quietly, but with an overtone of excitement. A rumor had swept the campus earlier in the day that George Lincoln Rockwell's Nazis would appear.

A large body of students, many of them muscular young men, waited outside the gymnasium.

**Cough Tactics**

When the Nazis apparently failed to appear, most of the students filed inside to hear the speakers: James Forman, executive secretary of the Student Non-Violent Co-ordinating Committee; Aubrey Williams, president emeritus of the Southern Conference Educational Fund, and Frank Wilkinson, executive secretary of the National Committee to Abolish the House Un-American Activities Committee.

Earlier this month, State troopers and city police, acting for the first time under the Louisiana Communist Control Act, raided the Southern Conference Educational Fund, Inc., in New Orleans and arrested three men.

The three were charged with criminal conspiracy, alleging they took part in managing a subversive organization.

Mr. Williams had barely started to speak when two young men seated toward the front of the gym began coughing loudly. The coughing continued until it was obvious that it was being done to upset the speaker.

Two District policemen were called in and some in the audience pointed to one of the young men, later identified as Lawrence G. Smith, 22, of the 900 block of North Randolph street, Arlington, American Nazi headquarters.

**Clubbed Over Head**

When the policemen tried to take Smith away, he pushed them away and ran for the stage, with both policemen hanging to his arms.

Smith tried to climb onto the stage and shouted: "This is a Communist meeting!" One of the policemen clubbed Smith over the head with his nightstick with a crack that could be heard at the rear of the gym.

Smith was taken for treatment of a head cut to District General Hospital. He also was charged with disorderly conduct.

A second youth who had been coughing was led out quietly. He raised his right arm in the Nazi salute and shouted "Seig Heil!" as he was led up the center aisle.

As soon as the audience quieted and Mr. Williams had started to speak again, a third young man jumped up and shouted. He was wrestled to the floor with a loud thump by two students. The police carried the half-conscious young man half-way out of the gym before he was able to raise his head. Then he, too, gave the Nazi salute.

**Pulled From Stage**

Mr. Williams, who it was explained at the outset of the meeting, has not been feeling well lately, stopped speaking and sat down. Mr. Wilkinson took over.

Mr. Wilkinson had said only a few words when the blond girl rushed onto the stage, shouting and clawing. A policeman grabbed her in a hammerlock and she was pulled from the stage.

Two other men then jumped up in the center of the audience and a wild fight broke out in the center aisle. The police had hardly straightened out that one when still another Nazi jumped up on the side aisle. Police had to throw aside students swinging at him before they could get to him.

**Situation Quiets Down**

When Mr. Wilkinson attempted to speak again, his voice was breaking. After that, the meeting proceeded relatively quietly.

More Nazis were arrested, but by that time there were so many police in and around the gym that the incidents were minor.

Those charged at the Eighth Precinct with disorderly conduct were Smith, Alan J. Welch, 28; Lynn M. Giesy, 29; Robert A. Lloyd, 18; Allen Russell Meyer, 26; David Lee Ford, 23; John E. Joyner, 18; Matt Koehl, 28; Michael A. Pullis, 18; Paul Caruso, 33; Eva June Hoff, 21; Schuyler Ferris, 39; Eric Carlson, 20, and a 17-year-old juvenile. All these gave Nazi party addresses in Arlington.

The only American University student arrested was Joseph I. Lepsky, 18, of Baltimore, who was charged with failing to move when ordered to do so by the police.

Earlier in the day Dr. Hurst R. Anderson, president of the university, banned any collection of money at the meeting. "Contributions" were mentioned in a flyer on the campus, asking $1 from adults and 50 cents from students, but Dr. Anderson disallowed any collection.

organization; and James Forman, nigger leader in the "Student 'Non-Violent' Coordinating Committee" (SNCC)--the revolutionary Black outfit which recently announced formation of a 25-thousand-man UNIFORMED NIGGER ARMY "to march through the South like Sherman"--to quote SNCC leader, liver-lipped Lewis' speech at the Lincoln Memorial, August 28.

I knew these villains would expect us to be on hand because we never fail to picket and otherwise protest their treasonable activities every time they stick up their ugly burr heads.

So I publicly announced that I would lead a uniformed picket of this rotten Red race-mixing rally.

Meanwhile, I had our men--and our girl "trooper", Eva Hoff--deck themselves out in dirty white sneakers, tight levis, flapping shirt-tails, horn-rimmed glasses and uncombed hair--the usual regalia for today's "beat", pink, pansified university students.

The results were positively delicious. A huge swarm of Jews gathered outside the auditorium waiting to murder me and our Nazis when we showed up. The atmosphere was electric. Our friends in the group later reported to me that the only subject of conversation all day at American University was "Rockwell and his Nazis". They planned to smash up our old Caddie, beat us up and then, as usual, charge US with "inciting to riot", etc.

So while the "muscular" Jew "stormtroopers" waited and gnashed their teeth out front, our Nazi "students" slipped into the audience one by one and spread themselves all around the hall!

When the Commies and race-mixers were ready to start their filthy rally, THEY COULDN'T BECAUSE THE AUDIENCE WOULDN'T COME IN. They were all waiting outside to see Rockwell and the Nazis beaten and driven off! Our spies reported that as the minutes dragged by, and neither I nor the uniformed Nazis appeared, some of the Jews kept saying "He isn't coming! Rockwell isn't coming!"

But other Jews grimly muttered "He'll be here! Rockwell ALWAYS shows up. We'll get him this time!"

Finally, after about 20 or 30 minutes, the crowd outside got discouraged and the leaders managed to herd them inside to start the meeting.

From this point on, the Washington Evening Star quite fairly and accurately reports what happened. At left, we reproduce photographically a whole section of the first page of the newspaper:

**The only footnote to this action is to report two more minor developments. The poor Jews, Reds and niggers were so "shook-up" by all of this pure hell, that they couldn't continue the meeting. Every once in a while, after 14 Nazis had been hauled out one by one, some hysterical Jew would jump up and scream "There's another Nazi!" pointing to some dumbfounded beat or student. The Jew troops would then pounce on the hapless "Nazi" who would be screeching "I'm not a Nazi! I'm not a Nazi!" as he was beaten to the floor by the fear-crazed Kikes.**

They tried to hold a question-and-answer period, for which we had saved one more REAL Nazi. As soon as they asked for questions, our very LOUDEST Nazi got up and said how much he appreciated the belief in "brotherhood", "tolerance" and "free speech" by the gathering and for that reason would like to know if they would like to have George Lincoln Rockwell come down and address the meeting!

That did it. The assorted Jews, Zionists, Reds, nigger-lovers and cannibals exploded into utter chaos and catastrophe as our last Nazi was hauled away by police.

The day after this catastrophe for the reds and race-mixers, THEY CANCELLED ALL THE REST OF THEIR PUBLIC MEETINGS!

Not only that, but we WON IN COURT, TOO!

For five long years, the Jews have been busting up OUR meetings by force and violence and then getting US arrested for defending themselves.

The Jews have been building up the concept that the audience has the "right" to protest against us -even by trying to kill me. In case after case, the Jews who attacked us were called "hecklers", and all charges against them dismissed while we had to fight for our lives.

Now, at last, we have turned the tables on these lovers of sweet "brotherhood"! Now we have grown strong enough to "protest" at all THEIR meetings. And when they went weeping to the prosecutor, he told them we were "ONLY PROTESTING, TOO", -just like the nice Jews!

The Hebrew lovers of "free-speech" are now hoist by their own petard. They themselves have beaten the prosecutor into agreeing that audiences at speeches have the right to "protest" the way these Jews have "protested" at us. Now they are having a hard time convincing him that they were wrong all the time! When nice JEWS are talking about treason, communism, race-mixing and other such patriotic programs, the prosecutor can't see why nice Nazis can't "protest", too!

You can be sure we WILL! HOW we will protest every time they stick up their ugly burrheads and Jew beaks! We have just BEGUN!

This special, anniversary issue of the Rockwell Report is being sent to right-wing leaders all over America in hopes it will usher in a new era of ATTACK by our side, instead of the usual depressing and steady RETREAT, -and a new era of COORDINATED ATTACK, instead of the suicidal brother-against-brother warfare going on all the time within our ranks.

I am most proud and happy to be able to announce that two top military figures have given us assurances they stand ready to do all they can to UNITE the REAL right-wing, and are working with us to arrange a secret conference of leaders on our side to present a solid front of ATTACK to the enemies of America and the White Race.

The plague of the right-wing is the insane idea that we can "do it" by ONE method. The John Birchers insist that THEY alone can "do it", and everybody else is a "neutralizer". The enemy has a THOUSAND different fronts and attacks, while we have been working on only ONE. We need the

Birchers. But we also need the GUTTER-FIGHTERS, -the Nazis. We need the ivory-tower "conservatives" like Buckley, -but we also need Gerald L. K. Smith and Rockwell. Every leader in the right-wing condemns every leader to the RIGHT as an "agent" out to smear him by association!

As good examples, Rockefeller and his gang of "moderate" (pinko) Republicans attack the traditional, honest Republicans as "reactionaries" and members of the "old guard". The regular, traditional Republicans attack the "conservative" Republicans as members of the "lunatic fringe" and as "radicals". The Jew Goldwater attacks Robert Welch as "irresponsible" and does what he can to destroy the Birch Society by shooting at the ONE THING which has made the Birch Society one of the most painful attacks on the enemy to date--its authoritarianism. Goldwater demands that Welch resign and a more "responsible" (i.e., weaker, more easily manipulated) "leader" take over. Welch, in turn, denounces the Citizens Councils as "racists" and "bigots". Most of the Citizens Councils denounce the "anti-Semites" like Gerald Smith, Admiral Crommelin, etc., as "hate mongers" and "read them out of" the "responsible" right wing.

ALL of them agree on only one thing--Rockwell and his awful Nazis are "as bad as the Communists" and, in fact, "are actually the same thing". The whole rest of the right wing sees us going after the enemy tooth and nail, even down in the gutter, and because of our zeal, fanaticism and willingness to FIGHT, insists that therefore we are the SAME as the Reds because we advocate strong action and strong leadership.

This is precisely like a man who hates gangsters and criminals--but also hates policemen because, he says, "They are both actually the same thing. THEY BOTH USE GUNS AND KILL PEOPLE".

MORE AND MORE AMERICANS ARE BEGINNING TO REALIZE THAT THERE IS NOT ANY MORE TIME FOR SQUABBLING AMONG OUR SIDE!

We do not have to break any laws to make it utterly impossible for the enemy to hold these arrogant meetings to preach TREASON, SUBVERSION, PERVERSION and RACE-MIXING. It has been ruled LEGAL for us to go and PROTEST these outrages against everything decent and wholesome in our Nation. Can you IMAGINE the Founding Fathers of this America tolerating for ONE MINUTE a Communist meeting in which NIGGERS threatened whole city governments?

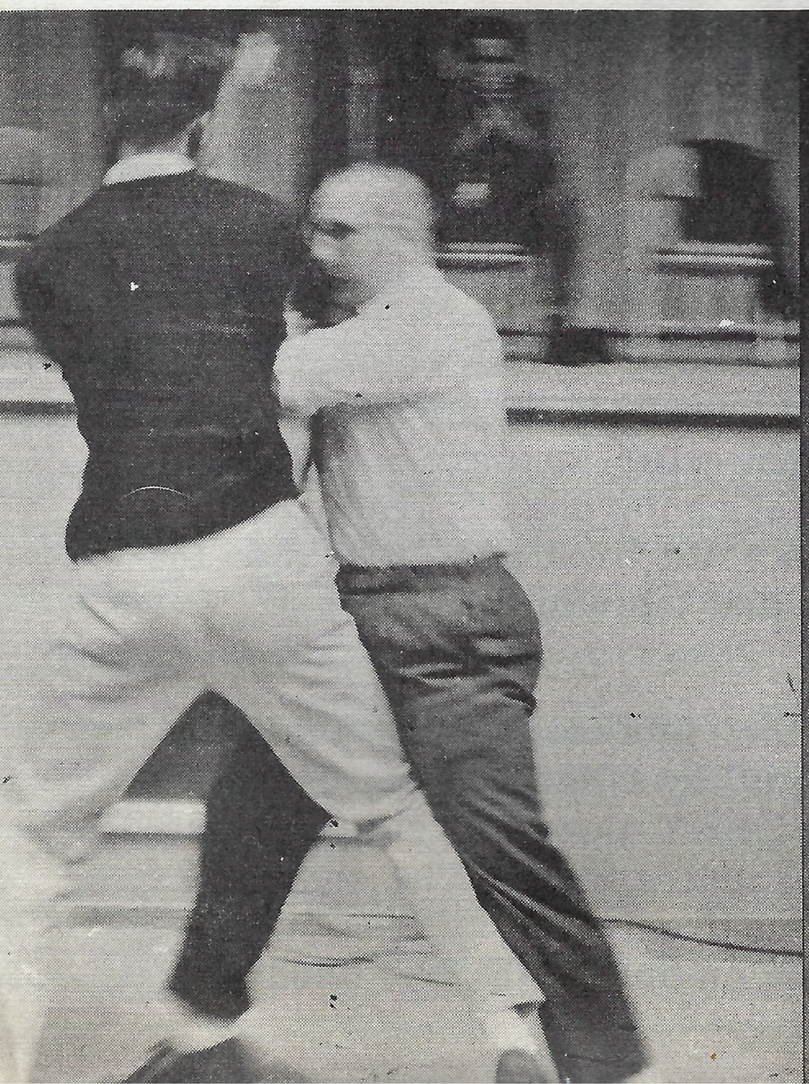
Yet, so far, because we believe in doing everything legal to smash these treason rallies, a huge section of the right-wing preaches that we, ourselves, are "REDS"!!!!

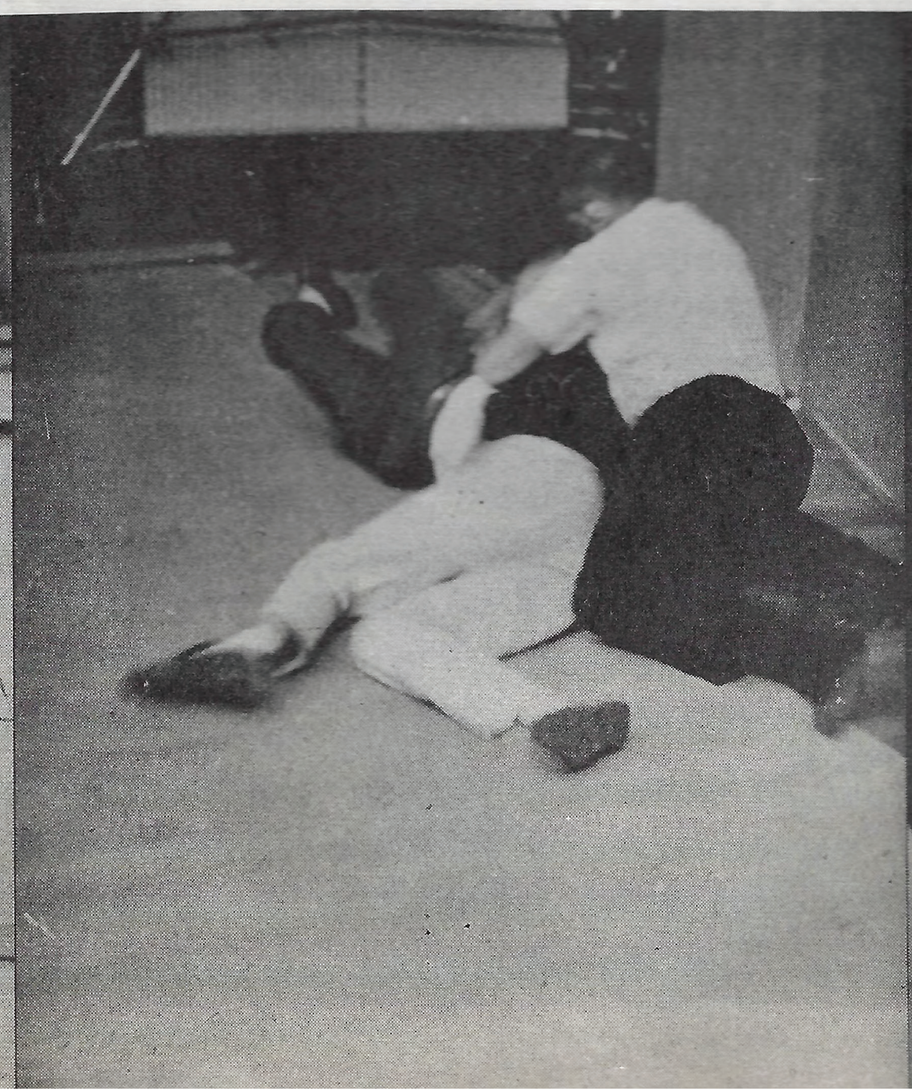
Stop and consider a moment.

What we did so successfully in smashing up the meeting at American University can be done ALL OVER AMERICA! We already have the men, the know-how and the WILL. All we need is the FUNDS! And the only thing which keeps us so DAMNED poor is the constant lies that we are "agents".

Isn't it about time that OUR side learn to get together at last and ATTACK?

Below: Stormtrooper Dave Ford charges speakers platform, is attacked by Jews, goes down fighting mad and is arrested by police.





The enemy operates at ALL levels with a coordinated Communist, Zionist, race-mixing machine, from its gutter hoodlums and jumping Yiddish Communist agitators in Union Square all the way up to the slick Reds at Harvard and the "Unitarians" in the White House.

Whenever a great fighter for our side arises --a man like the great Senator Joe McCarthy, THE WHOLE EVIL MACHINERY OF THE COMMUNIST, ZIONIST, LEFTIST RACE-MIXING APPARATUS GOES INTO UNIFIED, COORDINATED ACTION.

Remember how every phrase in the Daily Worker (like "McCarthyism") promptly appeared in all the REST of the "nice" papers, from the Washington Post to the New York Times? Today, even as I write, the whole enemy machine, including Martin Luther Coon, is fighting at all levels to get convicted Jew-Communist spy, Morton Sobell, out of prison.

Have you ever heard of one of the "Harvard" or "Unitarian"-type Reds claiming that the Daily Worker, or Gus Hall, are actually Nazi agents because they are coming on with the same line as "nice" people, like President Kennedy, Linus Pauling, Drew Pearson, Arthur Schlesinger, etc.? No! When Communist traitor, Alger Hiss, was on trial, far from running from him, as the right-wing runs from its hard-core people, a president's wife (Eleanor), a Supreme Court Justice (Frankfurter) and the Secretary of State (Acheson) all rushed to his aid and be damned to the charges that they were, therefore, tied in with a Communist spy.

That is why White Christian America has been getting licked by an enemy which has managed to turn its guns on US rather than on each other.

Even the vilest criminals and gangsters in America were able to quit fighting and killing each other and formed the "syndicate" to present a united front against society.

If the Jews, niggers, Reds, Zionists and subverters could get together--if the criminals could present a united front, by God the good, decent patriots of America ought to be able to quit hurting each other and start destroying the enemy.

At American University we showed what CAN be done. The only thing which stops the right wing from putting an END to these rotten Red race-

(1) Stormtrooper Jerry Cochran, youngest Party member, jumps up shouting in middle of packed audience; (2) wild fight breaks out as Jews attack him from all sides!

mixing meetings, which are going on every minute, even as you read this, is fear and inertia.

It DOES take some guts to do what we did. Gary Smith needed six or eight stitches to close up a gaping wound in his scalp. Almost all of our people went to jail. We are too poor to bail all of them out and they have to sit there. But it is worth it.

For the first time in five years we are now in a position to take the OFFENSIVE! From now on, no Communist race-mixing meeting will be held in America without the traitors quaking lest the audience be full of Nazis. And the only thing which will permit them their filthy meetings a little while longer is lack of funds. When we can afford to travel, and bail our men out, I can have tens of thousands of eager young men ready TO DO THE JOB!

Great days and great victories lie ahead. We do not claim that other right-wingers are agents or fakers. We stand ready to bury the hatchet with ANY sincere right-wing leader or organization and start coordinating our efforts.

When McCarthy made his try, the enemy UNITED, from the Worker to the White House, and SMASHED him. We have proved we can turn the tables on these traitors and liars. Let's "zero in" on one of these Red swine at a time--and the whole right wing go after him, as we went after Wilkinson and Aubrey Williams last night! Let's set up a top-level conference and see that the right wing picks one dangerous enemy at a time and then we ALL go after him by every legal means until we beat them into the ground as they did poor Joe McCarthy.

*******

We are willing to take the beatings, get stitched up in hospitals, go to jail, go to the bug-house, starve, get smeared in the papers, etc, and be misunderstood by most of our fellow Americans. All we ask is for other right-wingers to recognize that we are no "agents", and to realize that our side can not win with just ONE approach, we need them ALL working together.

The moment the rest of the right-wing quits spreading the lies that we are some kind of "enemy", we will have enough funds to survive and drive the reds and race-mixers out of their nasty little minds. Our smashing victory over the reds last night cost us: $ 140.00 in bail, four beatings, fourteen arrests, $ 40 to a lawyer, some gas money and about a pint of blood. Let Mr. Buckley expose Levi Laub who led the "students" to Cuba -as a red. Let Gerald L. K. Smith expose Laub as a Jew. And let US expose Mr. Laub to a belt on his Jew beak every time he preaches the over-throw of this government by violence and laughs at pictures of American pilots being shot down, --as he did.

All we need to tear the guts out of the filthy Communist-Zionist race-mixing conspiracy is a LET-UP in the lies against us by OUR side, -and some help, some "ammo" for the battle. At this late hour, can't we start working together, and FIGHTING TOGETHER --for VICTORY?
